

Disclaimer

Please carefully read the disclaimer before using any of the models made available by Würth Elektronik eiSos GmbH & Co. KG solely or jointly in libraries in the GitHub repository ("Models"). Your use of the Models constitutes your acceptance of the terms and conditions set forth below.

The Models have been provided to you free of charge for your use but remain the sole property of Würth Elektronik eiSos GmbH & Co. KG. While Würth Elektronik eiSos has used reasonable efforts to ensure their accuracy, Würth Elektronik eiSos GmbH & Co. KG. does not guarantee that they are error-free, nor makes any other representation, warranty or guarantee that the Models are completely accurate or up-to-date. In many cases the Models have been simplified to remove proprietary detail while maintaining critical interface geometric detail for your use. Würth Elektronik eiSos GmbH & Co. KG expressly disclaims all implied warranties regarding this information, including but not limited to any implied warranties or merchantability or fitness for a purpose. This also applies if you translate, alter, arrange, transform, or otherwise modify the Models in any way, shape or form.

Würth Elektronik eiSos GmbH & Co. KG will in no case be liable for your use, or the results of your use, of the Models or any accompanying written materials. IT IS YOUR RESPONSIBILITY TO VERIFY THE RESULTS OF YOUR USE OF THIS INFORMATION IN YOUR OWN PARTICULAR ENGINEERING AND PRODUCT ENVIRONMENT AND YOU ASSUME THE ENTIRE RISK OF DOING SO OR FAILING TO DO SO. IN NO CASE WILL WÜRTH ELEKTRONIK EISOS GMBH & CO. KG BE LIABLE FOR YOUR USE, OR THE RESULTS OF YOUR USE OF THE MODELS OR ANY ACCOMPANYING WRITTEN MATERIAL IF YOU TRANSLATE, ALTER, ARRANGE, TRANSFORM, OR OTHERWISE MODIFY THE INFORMATION IN ANY WAY, SHAPE OR FORM.

In no event will Würth Elektronik eiSos GmbH & Co. KG or its contractors, directors, officers, employees, affiliates or distributors be liable for any direct, indirect, special, incidental or consequential damages (including but not limited to, damages for lost business, lost profits, business interruptions and loss of information) arising from your use of, or your inability to use the Models or any accompanying written materials, even if Würth Elektronik eiSos GmbH

& Co. KG has been advised of the possibility of such damages. No oral or written information of advice given by Würth Elektronik eiSos GmbH & Co. KG or its distributors, agents or employees will operate to create any warranty or guarantee or vary any provision or information herein, and you may not rely on any such information or advice.

The responsibility for the applicability and use of the Models in a particular design is always solely within the authority of the user. Due to this fact, it is up to you to evaluate and investigate, where appropriate, and to decide whether the Models with their specific characteristics described in the specifications are valid and suitable for your respective application or not.

If you determine that the Models are valid and suitable for a particular design and you want to order the corresponding components, you acknowledge to minimize the risk of loss and harm to individuals and bear the risk for failure leading to personal injury or death due to your usage of the components. The components have been designed and developed for usage in general electronic equipment only. The components are not authorized for use in equipment where a higher safety standard and reliability standard is especially required or where a failure of the components is reasonably expected to cause severe personal injury or death, unless the parties have executed an agreement specifically governing such use. Moreover Würth Elektronik eiSos GmbH & Co. KG components are neither designed nor intended for use in areas such as military, aerospace, aviation, nuclear control, submarine, transportation (automotive control, train control, ship control), transportation signal, disaster prevention, medical, public information network etc. .Würth Elektronik eiSos GmbH & Co KG must be informed about the intent of such usage before the design-in stage. In addition, sufficient reliability evaluation checks for safety must be performed on every component which is used in electrical circuits that require high safety and reliability functions or performance. **YOU SHALL INDEMNIFY WÜRTH ELEKTRONIK EISOS GMBH & CO. KG AGAINST ANY DAMAGES ARISING OUT OF THE USE OF THE COMPONENTS IN SUCH SAFETY-CRITICAL APPLICATIONS.**

Würth Elektronik eiSos GmbH & Co. KG reserves the right to change any portion of this information at any time without notice.
