

utils::short_fixed
_point_bytes_to_float

```
graph LR; A["utils::short_fixed_point_bytes_to_float"] --> B["utils::is_little_endian"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'utils::short_fixed_point_bytes_to_float' in black. The right box is white with a black border and contains the text 'utils::is_little_endian' in black. The blue arrow originates from the right side of the left box and points towards the left side of the right box.

utils::is_little_endian
