

2D Character – Documentation

The example scene in this asset contains a simple controller and is only meant to showcase the animations.

To control the character within the scene, use the following hot-keys:

1. A and D key to move back and forth.
2. S key to crouch.
3. Left mouse button to attack.
4. Shift-key while moving to slide.
5. X key for special 1.
6. C key for special 2.
7. F key to take damage
8. V key for die animation
